About me

I am a Mathematics Major from Universiti Brunei Darussalam, with a strong passion for Data Science and Analytics. Proficient in R programming & Excel with experience in Python, SQL, and Tableau, I am committed to leveraging data to uncover insights and drive strategic decisions. My commitment to learning and growth drives me to constantly expand my skill set via online learning and courses. I am seeking for an opportunity to sharpen my skills, gain valuable industry experience, and contribute to the success of the team.
